Vietnam 2023

4.0 ELECTRONICS INSIDER

NEW ERA OF CUTTING-EDGE TECHNOLOGY

Vietnamese electronics industry is rising to become the world's next electronics manufacturing hub with the presence of many international giants. Offered electronics manufacturers many opportunities for connecting businesses, NEPCON Vietnam 2023 — Vietnam's only exhibition on SMT, testing technologies, equipment and supporting industries for electronics manufacturing, is a true-match for enterprises to unlock their potential and step into the era of "Electronic Insider 4.0." The event will bring up technologies and solutions from over 200 brands, updating hottest trends via onsite forums and conferences, and complementary business matchmaking programs.
